Category:	Greens Mower				
Description:	Greensmaster 3150				
Features:	Full operator control and superior convenience. The 3150 hydrostatic drive system includes dynamic braking, which eliminates speeding up on downslopes. The joystick control panel is connected to the seat base, so the controls maintain their position for the operator and the seat slides to compensate for the varied height and size of the operators. The open steering arm allows right or left exit, with tilt adjustment and is adjustable at the base for larger operators. Additional features include 3 wheel drive and ROPS and a storage compartment for raingear or radio.				
Condition:	Good Condition
